09 UPCOMING CHOA EVENTS

CHOA is the premier professional association for Canada's heavy oil industry. We are a not-for-profit association, driven by volunteer members and supported by industry partners. Our members represent all aspects of heavy oil, including exploration, development, production, upgrading, transportation and marketing of heavy oil and oil sands.

We continue to work with our industry partners to develop future content on the topics of Sustainability, Energy Transition, Technology and Innovation, Digital Transformation and Creating the Workforce of the Future.

ACTIVITIES

INDIGENOUS ACTIVITIES

A

Mini - Tipi Painting

Location: CHOA Tent

Times: 10:15am-11:15am and 1:30pm-2:30pm (1-hour activity)

The instructors will provide a short history on the tipi and then guide your family through the process of setting up a tipi after designing the canvas. It is math and engineering at work!

B

Robotic Pow-Wow and Indian Relay

Location: Grasslands

Available from 10:00am -11:30am and 1:00pm-2:30pm

As the world moves towards increased automation, stop by this open area to see possibilities of what robots can do guided by the human experience! You will get an opportunity to operate and race Indian Relay style - one robot and your team!

B

Tipi - Pole Setup

Location: Grasslands

Available from 10:00am -11:30am and 1:00pm-2:30pm

How does one begin constructing a larger tipi? It takes teamwork and geometry! The instructors will help groups to resurrect a 'human-sized' tipi structure. The structure is has to withstand the weight of the canvas and various weather patterns!

B

Round Dance

Location: Grasslands

Time: 2:30pm

The round dance is rooted in the history of building community. This tradition has been passed on through generations. As we close the HeritageSTOMP Family Picnic, we will gather together to heal, to honour and to celebrate life and new friendships!
